

Session Title

Ensuring Success of Special Populations with CTE

Presenter

Amy Reeves, Jessica Garrett, & Spenser Adams

Presentation Time

July 20, 2023 2:10-3:10

Session Description

This session is designed to better equip CTE teachers, Special Education teachers, and administrators with strategies and skills to support all of their students, especially those within special populations. We will discuss best practices within the classroom/laboratory, CTSOs, and IBCs. We will also, spend time discussing the duties of the CTE teacher on ARD committees.

Strands

- Middle/High School
- Paraprofessionals/Instructional Assistants
