“Plantation of Tree at SRIT”

SRIT Social Responsibility Cell & NSS in association with BCDE & Dept of H&S, SRIT conducted Plantation of Trees on 04 November 2022. Students participated and Planted the Trees. Around 800 Plants were Planted. Tree plantation is the process of transplanting tree seedlings generally for forestry, land reclamation, or landscaping purposes. It differs from the planting of larger trees in arboriculture, and from the lower cost but slower and less reliable distribution of tree of seeds. Trees contribute to their environment over long periods of time by providing oxygen, improving air quality, climate amelioration, conserving water, preserving soil and supporting wildlife. During the process of Photosynthesis, trees take in carbon dioxide and produce the oxygen we breathe.

Principal Dr. G. Balakrishna, Vice-Principal Dr. Chaitanya Kishore, Dean of Academics Dr. V. Sankar, Dr. M. Ranjit Reddy T.P.O and Head of the Department ECE Dr.M.L.Ravichandra, various departments Heads, faculties and Students&Staff members are attended. We, SRIT Social Responsibility Cell & NSS in association with BCDE & Dept of H&S, SRIT

So total number of participants is 50 , successfully completed the Program.

6. Brief Report on the event:

"RASHTRIYA EKTA DIWAS"

On 31st October 2022, the Department of Humanities & Sciences in association with NSS (College Social Responsibility) at Srinivasa Ramanujan Institute of Technology organized an event on "*RASHTRIYA EKTA DIWAS*" to I B. Tech MECH & CIVIL students. Mr. L. Suman, Assistant Professor, from the Department of CSE was invited as a Resource person to this Program.

The event coordinator Mr K. Satish Kumar anchored the virtual event. Dr Guru Siddappa, Head, Dept. of H&S welcomed the resource person and all the participants to the event in his welcome address. Dr G Balakrishna, Principal in his address emphasized the importance of Dr. Sardar Valla Bhai Patel "Iron Man of India" to the students. Prof V Sankar, Dean Academics conveyed a message about freedom fighter Sardar Valla bhai Patel about how he struggled to get freedom to India from 31st October to 15th December 1950. He also appreciated the faculty.

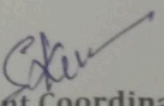

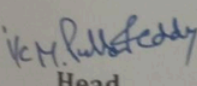

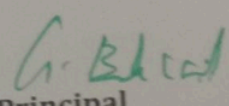

Srinivasa Ramanujan Institute of Technology (AUTONOMOUS)

Rotarypuram Village, B K Samudram Mandal, Ananthapuramu - 515 701

Mr K. Satish Kumar Asst. Professor of Management introduced the resource person to the participants and requested Mr. L. Suman to deliver his talk

Mr. L. Suman spoke about National Unity Day-2022 celebrated as "Rastriya Ekta Diwas", on 31st October Dr. Sardar Valla Bhai Patel, Iron Man of India, he conveyed message to students about the importance role in the integration of many Indian princely states to make an Indian Federation. He was the first Home Minister and Deputy Prime Minister of Independent India. Women of Bardoli bestowed the title "Sardar" Valla Bhai Patel which means a Chief Leader. He requested the people of India to live together by uniting in order to create Shresth Bharat. He also remembered the Patron saint of India civil servant as he established the modern all India service system. The statue of Unity at Kevadiya in the Narmada district of Gujarat was built in his honor.

Mr. R. Sunil, Civ Dept. NSS Co-Ordinator

Mrs. C. Kiranmayee ,Mec Dept. NSS Co-Ordinator

- 5. Target Audience:** 840 students were participated

Brief Report of the event:

On the eve of "*Clean India 2.0*" the NSS cell of SRIT organized a Community Service Program from 1st October to 31th October 2022. Nearly 840 students participated in the Camp. The base of the camp was a Local Government School in Rotary Puram.

The event "*Clean India 2.0*" is a Nationwide Community Service Camp organized as a part of Azadi ka Amrit Mahotsav this year. The mission of this event is to appeal to the citizens of India to maintain proper Cleanliness and reduce the usage of Plastics

Srinivasa Ramanujan Institute of Technology (AUTONOMOUS)

Rotarypuram Village, B K Samudram Mandal, Ananthapuramu - 515 701

As a part of this, The Community Service Club of SRIT, NSS led by NSS PO

Mr. G.China Pullaiah, Faculty Coordinators, Students from Respective Departments participated in the Camp and cleaned the surroundings of the Government School and the surroundings of Rotary Puram Village. Around 2 Large trucks of Garbage were collected as a part of this program which says that this program was a huge success.

Every student and faculty Coordinator ensured that every part of the Rotary Puram base was cleaned so that there won't be any usage of Plastic. Kudos to the 2nd Year Students of SRIT who participated in this event and made this a huge success.

BRIEF REPORT ON EVENT

"WORLD CONSERVATION DAYE-QUIZ"

On the eve of "World Conservation Day"NSS in association with SRIT Social Responsibility Cell organized a National Level Quiz on 28th July 2021 at SRIT, Anantapur, AP.

Observed on July 28 annually, World Nature Conservation Day acknowledges that a healthy environment is the foundation for a stable and healthy society.

Conservation means the wise use of the earth and its resources for the lasting good of mankind. Earth's natural resources include air, minerals, plants, soil water and wildlife. Conservation is the care & protection of these resources, so that they can be preserved for future generations. It includes diversity of species, genes, and ecosystem, as well as functions of the environment, such as nutrients cycling etc. Conservation is similar to preservation, but while both relate to the protection of nature, they strive to accomplish this task in different ways. Conservation seeks the sustainable use of nature by humans, such as hunting, logging, or mining, while preservation means protecting nature from human use.

We, NSS in association with SRIT Social Responsibility Cell organized a National Level Quiz, so the total number of participants were 874 out of which 592 were successfully completed, (Qualifying marks is 65), those who qualified issued E- quiz certificates.
