

## **Guide for Rising 11th Grade Registration (Current Sophomores)**

Sophomore Advisors,

During Advisory on **February 11-14, 2025**, we will be distributing physical and digital registration materials to our students.

### **Step 1: The Course Fair is on February 11 & 12**

- ❖ During this time students will be given a [Course Selection Worksheet](#). This should be used to take notes and keep track of classes during the course fair.
- ❖ See [Course Fair Plan](#) shared from Mrs. Hoglund.

### **Step 2: Preparing for Registration - February 13**

- ❖ Briefly review graduation requirements with students (found in the [Programs of Study](#) on page 9)
- ❖ Remind all students that they will most likely need the following courses:
  - English 11 CP, AP Language & Composition, or English Composition 1 DE
  - U.S. History or AP U.S. History
  - Their next math sequence (Geometry, Algebra II, Intro to Precalculus, Precalculus SDC, or Statistics SDC)
  - The next science sequence (Biology, if they haven't taken yet, or Chemistry)
  - Encourage students to sign up for a Fine Art if they have not taken one yet: Band, Chorus, Visual Art, Theatre, Digital Arts 1, or Help Desk
  - Encourage students to continue courses for their Elective Focus (see Programs of Study for prerequisites and course sequences)
  - If a student has not taken Spanish I & II or French I & II or they have not turned in a World Language Waiver then they will need to sign up for those courses or see Mr. Royston for the required form.
- ❖ Connect to Mr. Royston's Live Google Chat for Q&A
- ❖ Current 10th grade students did not create 6-year plans with their counselor last year so they will not have these.

### **Step 3: Registration - February 14 & 15**

- ❖ Direct students to open a new tab and log in to Skyward for future scheduling.
- ❖ See specific instructions for [future scheduling navigation here](#) (also in [video](#)).
- ❖ Students should use [Course Selection Worksheet](#), [Programs of Study](#), [Junior Elective Options Slideshow](#), and [Dual Enrollment, and AP Access Flyer](#) to guide them through selecting courses.
- ❖ Students can download/save their Skyward Course Request List to share with parents by selecting print, then setting the printer to Save as PDF.
- ❖ Connect to Mr. Royston's Live Google Chat for Q&A

As always, we greatly appreciate your assistance and look forward to the 2024-2025 school year!!!
