

Real Life And Dream Life Pitch

Author: James "Dragon Master" Courneya

Genres: Psychological.

Page Count: #

Synopsis:

A series where characters live two distinct lives. When they go to sleep, they live a life in an alternate reality, with no memories of their waking self. When they are awake, they do not remember their dream self. The main character lives an incredibly important dream life helping protect the world. Whereas the awake version is struggling with life.
