My Website Sitemap SAMPLE

Top Navigation

Imagine your site and fill in the top navigation and sub-navigation or dropdowns (if any). **Please change the text to whatever you'd like them to be,** and add/remove as needed - this is just to get you started. We will discuss and finalize your sitemap on our Kick Off Zoom Call.

Footer Navigation

What links would you like in your footer? You need a privacy policy on pages that link from Facebook Ads. Would you like to repeat any top navigation? For SEO purposes, repeating the top navigation will help search engines understand which pages are most important.
