What if I don't have a student ID or lost mine?

You can purchase a student ID at the 9th Grade Center front desk or bring your phone with your HAC account logged in to confirm your student ID number.

What if I am not on campus that day?

That's okay! Pick up your book outside room 860 on Thursday, May 12th or Friday, May 13th during your lunch period *with your student ID*.

What if I am on a modified schedule, and I am never on campus during 4th period?

What if I am currently on the waitlist for a book because I missed the deadline to purchase one?

You, or the parent/guardian that contacted the yearbook adviser to add your name to the waitlist will receive an email notifying you/them if there is a copy for you to purchase on distribution day. You will also receive a Waitlist Pass prior to distribution day with instructions on how to purchase and pick up the book.

Will there be extra books if I missed the deadline to purchase one and never put my name on the waitlist?

It is possible. If you are interested in purchasing a book, email the yearbook adviser your name and student ID number and they will notify you if there are any remaining copies for sale.
