

Skyward/Family Access has information about your student stored in one location! A single username and password allows parents/guardians to access information for all of their children, regardless of the grade level or school of attendance. Each guardian has an individual account that covers all children. The following items can be found easily with one login to obtain access:

**Home:** You can request emails be sent to you when your student needs money in their lunch account, to receive grading, attendance, or progress report information.

**Calendar:** Your student's class assignments are viewable on a monthly calendar.

**Gradebook:** This tab shows your student's grades. It makes it easy to see at a glance what projects or tests are scheduled for the day/week/month as well as seeing your student's class grades.

**Attendance:** You can excuse your student's absence or view their absences.

**Student Info:** View the information we have on file for your student, including phone numbers, addresses, contact information, emergency contacts, etc. Changes in information must be submitted to the school office for updating.

**Busing:** View bus routes, pickup and drop off times for your student.

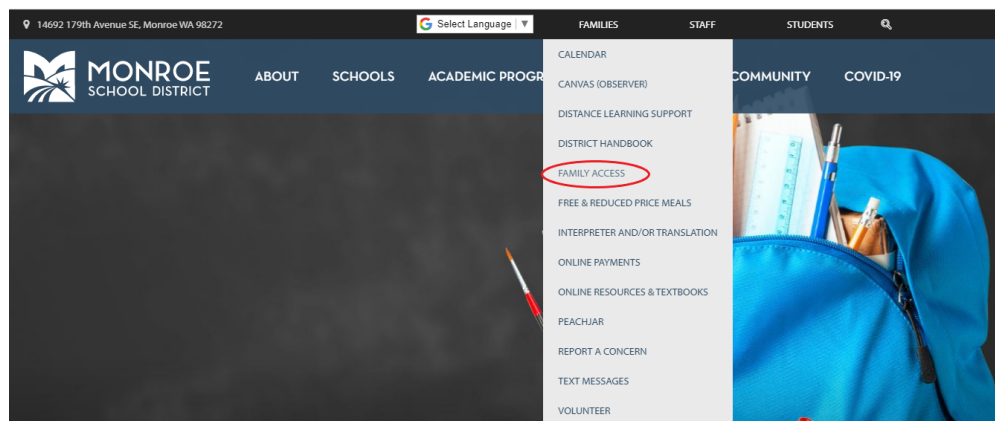

**Food Service:** You can view your student's lunch balance and also add money in their account.

**Schedule:** View your student's schedule (this is great when you need to schedule an appointment and there is a class you don't want your student to miss).

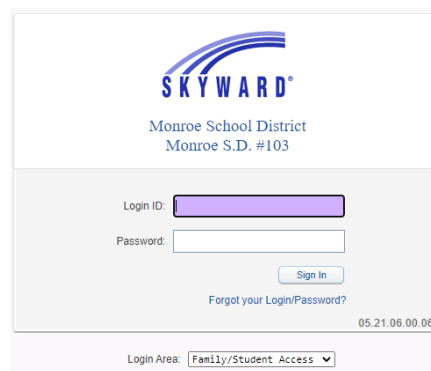

**Portfolio:** This tab shows student report cards and allows you to print a copy.

**Login History:** Shows date, time, and area viewed.

Click on the Family Access link under the Families tab on the district website homepage at [www.monroe.wednet.edu](http://www.monroe.wednet.edu).

Login screen. If you do not have your login ID and password information, please contact the main office at your student's school.

**Wellness Screening** Tue Aug 31, 2021

1. Do you have any of the following symptoms within the last day that were not caused by another condition?

- Fever (100.4F) or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

☐ Yes ☒ No

2. In the last 14 days, have you been in close contact with a confirmed case of COVID-19, tested positive yourself in the past 10 days, or are awaiting results of a COVID-19 test? (If someone is waiting on a test result simply because of asymptomatic, employment or outgoing travel preparation testing, they do not need to quarantine while waiting for test results)

☐ Yes ☒ No
