

Liberal Arts Philosophy and Course Offerings

At Talent Unlimited High School, we believe that a balance between the liberal and performing arts best prepares students for life after high school, regardless of their post-secondary decision.

All students at Talent Unlimited High School take four years of English, Math, Science, and Social Studies, with varied opportunities to take Advanced Placement coursework.

Aside from the college level courses (Advanced Placement) taken during the school day, Talent Unlimited High School students also have the opportunity to take college level coursework at Hunter College through their [College Now program](#) during after school hours.

All Talent Unlimited High School students take the required coursework and exams toward earning an Advanced Regents Diploma, as well as the Chancellor's Designation in the Arts.
