****** On the first day of the school week - once teachers have had time to update their homework - an email will be sent that includes the link to this page. We invite you to take a minute to review the homework and each teacher's individual "weekly update" for important dates and information.******

Weekly Update: This week we will continue our novel study. We are reading *The Inheritance Games* by Jennifer Lynn Barnes. As we read, students will answer questions about each chapter in their reading guide. This reading guide is on paper, but a digital version can be found in Google Classroom. A pdf version of the book can also be found in Google Classroom..
