Questions/Details to consider before and during the session

- Ideas on locations - running list [here](#)
 - Brewery/bar or simply space rental?
 - Max cap of 175-200+ to accommodate (150) guests + ~(25-50)
- Keep the standards the same (one beer, chili, raffle ticket w entry? Ticket price \$30-\$35)?
- Should we do 2 (one big one in April and one smaller one later in the year like October)?

Brainstorm ideas for the session (all contributors welcome even if you can't attend)

- Corporate sponsorships and a silent auction, but no matching gift
 - Template for corporate sponsorship ask [here](#) (thanks Ryan)!
 - Sponsorship prospectus example [here](#) - Ryan or Maggie make one of these?
- Regarding venue, I've taken a first look and need to dig deeper. I think we should target a space that has a vols/organizers/vendors. Ideally the venue has its own furniture and A/V setup. Let me look into this some more.
