

Raiders Breed Their New Queen Whore

SUMMARY: A young female survivor from a neighboring faction has been captured by a group of ruthless raiders wandering the wasteland. She is given only one choice: to become their new breeding queen or her people die. She agrees to do it so that their lives can be spared. Her first night with this bunch is no easy task though. She's faced with multiple horny raiders who haven't felt the touch of a woman since the bombs first fell years ago. Can she satisfy their thirst and take on the role as their new queen in this harsh wasteland?

process. Performer is a consenting adult portraying fictional characters. Fantasies depicted are not factual representations of performer's views. All characters portrayed are adults 18+.

[Abandoned Wasteland]

<Walking on dirt ground with chains>

Are we almost there? All I see are empty buildings and crows.

<Whips>

(Painful moan)

Alright, I'm moving! Sheesh, you try walking around in chains. Ugh!

(Heavy breathing)

Oh, finally... We're here.

<Door opens>

[Raider Base Building]

So, this is your base eh?

Could use a dusting, but not bad.

I guess Raiders don't have much taste in style...

Your choice in furniture here seems a bit out of date.

(Chuckles)

<Whips>

Ow! Fuck that hurts. Fine, I'll quit it with the jokes.

You said in exchange for me, you'd let my people go.

So they've been released now, I hope?

(Gasp)

But... You promised you wouldn't hurt them!!

Please! Just let them go. I'll do anything to keep them safe.

(Pauses)

What do you mean I haven't fulfilled my part of the bargain!?

I thought letting you drag me all the way here in chains was enough? What am I supposed to do!? It's not like I can run away like this.

Hah! You want to use me as your—WHAT!?

What the hell is a breeding queen? Do you think you're ants or something?

Hah... I guess your brain is the size of one.

<Whips>

Ow! Can you stop with the whipping? Shit...

Look. I know you don't have many choices for fucking these days, but damn..

It's pretty pathetic you have to capture pretty young women like myself to get your dick a little stiff.

Yeah, that's right.

It's not hard to see you've had a boner for me this entire trip.

What happened to buying a lady dinner first? Oh right, nukes—

<Whips>

AGH!

(Painful moans)

OKAY!!! No more jokes, I swear.

Listen, whatever you want—I'll do it.

Just please let my people go safely so they can make it back to the settlement.

Promise me, please! And I will WILLINGLY be your fuck queen—err...
breeding queen, or whatever the hell it is!

(Shaky and nervous)

You—You won't whip me anymore if I'm obedient too, ri—right?

(Pauses)

Good, cause that shit hurts.

Alright, I'll do it as long as you hold up your part of the deal.

(Pauses)

Wait... I'll get my own tower and servants, you say? And whatever food I want? Really? That wasn't part of the tour brochure... but uhh, okay! Sign me up

(Giggles)

I guess being enslaved by a bunch of horny raiders isn't too bad.

So long as I'm treated like a goddamn queen.

So... what's the catch?

(Pauses)

Oh, right... I guess the title speaks for itself.

So my whole purpose is to become your breeding whore?

Guess I've gotta pop out an entire new generation for you bunch of degenerates.

(Sigh)

Are we doing this or not?

<Pushed down to ground>

Agh!!!

Woah you horny boys can't wait, can you?

(Moans)

Are you all gonna be groping me like this the whole time?

(Pauses)

What do you mean you're all taking turns?

Wait, so I'm not just gonna do it with one of you... but... all of you!?

I guess it means any of you could impregnate me tonight...

Well, whatever keeps my people safe.

If it means I have to be used like a cum bucket, then so be it.

Alright, fuckers... I—I'm ready.

<Cloth ripping>

Fuck, you could have just lifted my dress up or asked me to remove it.

Good job ruining a perfectly good outfit.

(Moans)

Woah! Slow down there, man

<More fabric shreds>

Agh! I'm completely naked now, thanks.

Hey, this isn't a buffet! Take it slow, jeez...

(Moans louder)

Eugh! You guys must have not seen a lot of action.

You're all acting like horny little cavemen with no control!

Woah, and what do you think you're doing with your di— !!!

<Blowjob starts>

(Moaning while sucking)

Hey, that's not fair!

(Sucking)

I wasn't expecting you to (sucking) make me take you like this

(Blowjob turns into face fucking)

Oh fuck, whoever's eating me out down there (sucking) don't stop, it feels good!

And the rest of you fuckers (sucking) staring at me with your dicks out... Does it make you feel good to capture a sexy, strong survivor like me?

(Blowjob)

Mhm, yeah...

I know the moment you saw my thick hips and titties, you all realized I would be the perfect woman to breed with!

(Giggles)

I guess that's the only smart thing you guys thought of all night.

Woah! Heyy—

(Facefucking again)

Fuck, keep eating my pussy out down there. I'm getting close to cumming...

(Blowjobs)

Oh god, don't stop! I'm going to cum...

No!? What do you mean I haven't earned it?

I'm supposed to be your queen, but you all have me tied up in chains while taking your turns using me.

I'm helpless... Please! At least let me cum.

Arghh

Fuck you! Fine, I won't beg...

I'll just make myself cum instead!

Yeah, that's right...

I'll do it myself with your dick in my mouth!

(Furious sucking)

(Moaning escalates to orgasm)

See? I don't need your permission.

(Pause)

Huh? What do you mean by punishment?

Because I didn't ask you if I could cum first?

(Laughs)

<Performer is quickly blindfolded>

Hey! What are you putting over my eyes!?

This isn't funny guys, I—I can't see...

Woah!

(Moans)

Fuck, I can feel whoever's sliding their dick inside me....

Oh god! Why does it feel so good?

(Moans louder)

<Fucking begins>

Now there's several dicks (moans) rubbing up against my body.

It kinda tickles!

(Giggles)

All over my nipples and over my belly. Even on my thigh.

You're all waiting your turn to breed me like such good little raiders, aren't you?

(Chuckles)

I never knew any of you had this much patience.

<Face slaps>

Shit! Who's slapping my face with their cock!?

No, not again—

(Forced facefuck starts)

(Moans while being fucked)

(Gasping for air)

FUCK! I can feel him about to cum inside me.

I can't see it, but I can feel it coming.

(Moans)

Do it, cum for me! Cum all inside me.

Spray your fucking seed in my fertile womb.

Fuck! Yeah, give it to me...

<Dick slides out, next guy moves in>

Agh! And already the next guy is rubbing his cock at the entrance.

Show me what you got, come on... I can handle it!

(Moans)

Oh shit, are you cumming already? Fuck

Don't stop, come on...

Fucking cum inside me already!

(Moans)

Oooo fuck... That's it, a big sticky one.

I'm already feeling bloated from the first couple loads.

I... I don't think I can fit much more cum inside me!

Hey, are you listening?!

(Fucking starts with another guy)

Agh, here we go! Alright, hurry up and fuck me until you cum.

But seriously, I don't know if I can fit more cum inside!

<Wet sounds intensify>

Fuck, listen to that wet pussy full of cum.

Can you imagine everyone's cum inflating my breedable womb?

(Giggles)

Shit, I think it's leaking all over!

Are you gonna cum too?

Yeah? Breed me right now!

(Moans harder as orgasm gets closer)

Mmm, that's it.

(Shaking breathing)

I can feel my belly growing with every load... There's so much inside!

Agh!

(Next guy begins to fuck)

Shit, alright let's get this over.

(Moans)

OH GOD it's so much bigger than the other!

FUCK! It's stretching me out

(Moans harder)

OH SHIT! It's so fucking huge inside!

Oh fuck—

(Another blowjob begins)

(Muffled moans)

You think you can silence me by face fucking!?

(Interrupted by dick being shoved down throat)

(Face fuck until orgasm)

(Moaning hard and pant)

<Cum dripping out>

(Exhausted breathing)

Oh god... that last guy was REALLY big!

There's so.... much... cum! I can feel it all warm and gooey inside me.

<Blindfold removed>

(Heavy breathing)

Oh gee, thanks for finally removing the blindfold.

(Says under breath) Fucking raiders...

Oh my god, look how swollen my belly is from all that cum!

I'm so squishy inside!

(Giggles)

So... is that it? Are we done?

Shit, apparently not!

Agh!—

(Moans again as next guy enters)

Oh fuck, you're not playing around are you?

Fucking me from behind like some crazy animal!

(Pounding hard - out of breath)

Shit! It feels good when you pound me hard!

The way your balls slap against my clit, mmm fuck!

Yes, fuck me harder!

(Moans intensely)

Oh shit, come on boy... Fill me up with your seed!

Breed my little fuck hole and cum, please!

Yes, cum in me! Mark me as your queen whore!!

(Finished breeding)

Mmmm...

<Squishy wet sounds>

Oh god, hear that? It's *all* the cum squishing inside my belly.

Fuck I'm so inflated, it's almost like I'm already pregnant!

Just look at what you all did to me!

Big and swollen, full of seed...

(Sigh of relief)

Glad that's over with! Now I can finally rest and let this cum soak inside my belly, heh.

Wait, what do you mean you're just about to start round two?
