

Infiland Workshop Rules

(very professional!)

1. Publish Legitimate Levels that can be beaten
2. Don't publish racist and offensive stuff (including thumbnails)
3. Don't use DMCA music (please)
4. Don't Spam Levels
5. Don't upload viruses
6. We may remove levels for one reason or another

In order for your levels to be public to the workshop, [you must accept The Steam Subscriber Agreement.](#)

If you don't agree to it, you can still publish levels, however they will be only visible by you and moderators.

If you feel like breaking level editor rules, [join this discord.](#)
