

## Social Studies - Stride 2023-2024

	<b>Semester 1 (Ends 1/12/24)</b> <p>This pacing is a guide. Students should complete their lessons based on their weekly plan. If they miss a lesson the system will move it to the next day, so students should make up any lessons they miss by changing the date on their plan.</p> <p><b>*Third and Fourth Grade students have 72 lessons for the year. If they start their lessons the week of 9/5 and complete two lessons per week they will have 4 lessons remaining at the end of the year. To complete all the lessons students should add a third lesson for at least 4 weeks. This pacing adds the additional lessons beginning the week of 4/8, but the extra lessons can be added at the beginning of the year.</b></p> <p><b>**Fifth Grade students have 108 lessons for the year. If they start their lessons the week of 9/5 and complete three lessons per week they will have 6 lessons remaining at the end of the year. To complete all the lessons students should add a fourth lesson for at least 6 weeks. This pacing adds the additional lessons beginning the week of 4/8, but the extra lessons can be added at the beginning of the year.</b></p>
