

# Week 4 Assignment: Flipgrid Video Discussion

## Instructions

Respond to the weekly Video Discussion prompt below. If you feel uncomfortable being on camera, you are welcome to cover it and record an audio response instead. This response should be at least 30 seconds long and no longer than 3 minutes. In addition, you should watch one of your classmates' video responses and leave a comment. You will receive 3 points for your response, and 2 points for responding to one of your classmates' video responses. Generally the Flipgrid activity will load right in the assignment on Canvas. Refer to the 3CQ Discussion Response for information about what constitutes an excellent student response.

## Week 4 Discussion Prompt

What do you think some of the barriers are to effectively addressing poverty in the US?  
OR What is the role of social welfare programs in our society? How do you think we could improve these programs?
