

Recommended browser to use with Infinite Campus is Firefox.

You will need close and restart your browser after you clear the cache/history.

### Firefox

1. In the top-right corner of Firefox, click Firefox menu .
2. Select History
3. Select Clear Recent History
4. In the Time range to clear pull down field, select Everything
5. In the Details area select at least the top 4 checkmarks
6. Click on the Clear Now button

---

### Chrome

1. In the top-right corner of Chrome, click the Chrome menu .
2. Select More tools > Clear browsing data.
3. In the dialog that appears, select the checkboxes for the types of information that you want to remove.  
**Important!** Make sure you place a checkmark in front of at least the top four choices.
4. Use the menu at the top to select the amount of data that you want to delete.
  - Select "Obliterate the following items from: beginning of time". This will clear all history.
5. Click Clear browsing data.

## Clear browsing data
