## SHELBYVILLE HIGH SCHOOL

The high school has produced a digital sport program this year. It will replace the pocket calendar from the past. Feel free to share the digital link with family members or friends who might not be directly affiliated with the school district. The link will be live, editable, and active throughout the entirety of the school year. [SHS Sports Program](#)

## **FRESHMAN SAFE DRIVING EXPERIENCE**

**This year's event will take place at the Shelby County Farm Bureau office and 4-H Fairgrounds on Tuesday, September 2nd, from 9:00 a.m. to 10:30 a.m.**

The day will be set up similarly to how it has operated in the past. All high schools in Shelby County are invited, and all students attending will be split into smaller groups to visit four stations where young leaders, farmers, and implement operators will address important information for drivers to be aware of. Some key topics will include semi-safety when approaching large equipment on the road, blind spots with large equipment, SMV vehicles, closing time, perception of distances, meeting large equipment on major roads vs. country roads, distracted driving. The organizers are hoping to add a new session this year that will include powerline safety if involved in an accident.

### **COUCH TOWN AT HOME FOOTBALL GAMES**

SHS students are allowed to sit on the north end of the football field with their classmates during all home football games. Junior high students, graduates from prior years, students who attend alternative schools, and individuals from other towns are not allowed in that reserved space. It is only for current students that are attending Shelbyville High School. Although this section of the field is called couch town, heavy couches are not allowed. Please plan to bring lawn chairs, bean bags, or other seats that are easy to carry and transport. Do not drive your vehicle up through the ag plots when delivering materials. Food and drinks will be allowed, so long as trash is properly disposed of after the event. Enjoy the view and the time with friends, but be sure to always show good sportsmanship. Go Rams!
