Previous Message: Please take some time between now and **Friday, June 3rd** to share feedback on your new faculty experience at SMC!

The New Faculty Committee asks all new faculty to take this brief 15-minute survey to provide helpful feedback on their experience as new faculty members at SMC (either part-time or full-time). Our committee wants to hear your voice and perceptions! Your feedback is vital to us sharing the training, resources, and support new faculty need in their first year and beyond.

Please help our committee understand how we and the SMC community can best support new faculty in the future. Wishing you a successful conclusion of the semester and an enjoyable break,
