

PHYSCON 2025

21 February

Swinburne University of Technology and online

Making a quantum leap

A conference for and by all teachers of Physics

The Victorian Physics Teachers' Network (VicPhysics) are delighted to present PHYSCON 2025 'Making a quantum leap' in partnership with Swinburne University of Technology on Friday, 21 February, 2025.

PHYSCON 2025 is an excellent hybrid professional development event for secondary school Physics teachers. Selected sessions will be live-streamed and some sessions will be delivered by interstate and international presenters. Exhibitors will be accessible to delegates both virtually and in person.

Delegates will be mainly secondary school physics teachers from Victoria. PHYSCON 2024 attracted more than 200 in person and 50 online participants, including international and interstate teachers.

PHYSCON 2025 will be hosted by the Swinburne University of Technology, Hawthorn Campus. There are a number of options for car parking, both short term and all day, and the venues are conveniently located close to Glenferrie train station.

PHYSCON 2025 Highlights:

- Opening and Closing Keynote presentations from engaging and inspiring speakers
- Review of 2024 VCE Physics examination paper by the Chief Assessor.
- VCAA presentation by Maria James, Science Curriculum Manager.
- Four separate workshop sessions with more than 10 concurrent choices.
- Ample opportunities for networking and knowledge sharing.
- Morning tea, lunch and after Conference drinks.
- Post conference access to streamed sessions.
- Virtual and in person interaction with exhibitors

Exhibitors and Sponsors:

PHYSCON 2025 offers the following benefits to sponsors and exhibitors:

- opportunities to promote your organisation's products and services
- Face to face and online (via Zoom) direct engagement with teachers
- option to present a workshop

Sponsorship

The following specific sponsorships are available:

- Two (2) Keynote speaker sponsorships each \$2000. (This includes one display trestle table in the exhibition space, a virtual booth, right to display banner on stage next to the speaker)
- ~~Coffee cart sponsorship \$2500 (for Welcome and registration only). (This includes one display trestle table in the exhibition space and exclusive rights to display banners next to the coffee cart and/or provide your own coffee keep cups).~~
- Morning tea sponsorship \$1500 (This includes one display trestle table in the exhibition space and the right to display your company banner in the morning tea space)
- Lunch sponsorship \$2500 (This includes one display trestle table in the exhibition space and the right to display your company banner in the lunch space and in plenary sessions)
- Post conference drinks \$2000 (This includes one display trestle table in the exhibition space and the right to display your company banner in the post-conference drinks space)
- ~~Conference Lanyards \$750~~

Exhibiting

The exhibitor package for PHYSCON 2025 is \$500 (\$300 for not-for-profit associations). Includes 1 trestle table, 1 chair, tablecloth, lunch and morning tea, logo in program and on landing page and the option of an online virtual booth. Additional display boards and chairs are extra. Set up tables between 7:00am and 8:00am and remove after lunch at 2:00pm.
