

BISHOP KELLY HIGH SCHOOL
Students / Admission & Attendance
Policy: 3111: DUAL EXTRA-CURRICULAR ACTIVITY POLICY

Students wishing to participate in two or more extracurricular activities within overlapping seasons must have approval from both head coaches/ moderators of each activity.

General guidelines and minimum qualifications in order to participate in two overlapping activities include 1) the ability to practice frequently and regularly each week of the season at a level that would mitigate injury or safety concerns. 2) ability to participate and practice in substantial practice sessions, team meetings, and/or competitions as to not negatively impact other team members or the team at large. 3) Academics are not impacted by excessive absences due to dual participation.

Head coaches/ moderators of each respective activity must both approve co-participation. The administration reserves the right to deny or modify dual participation if there are concerns for safety, impact on others, or academic performance.
