

Performance Venue

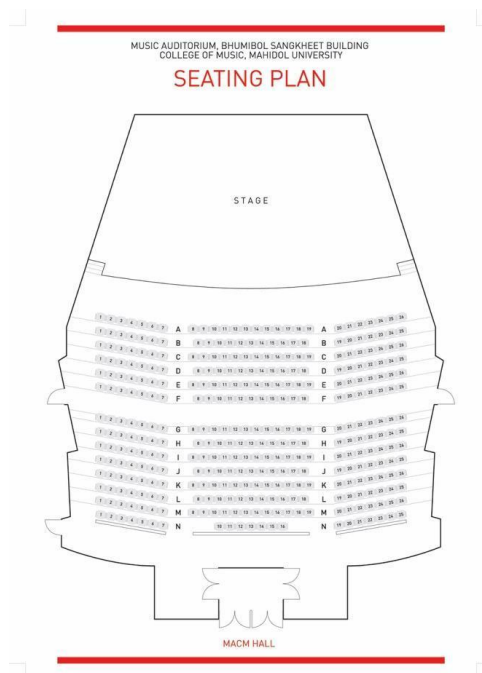

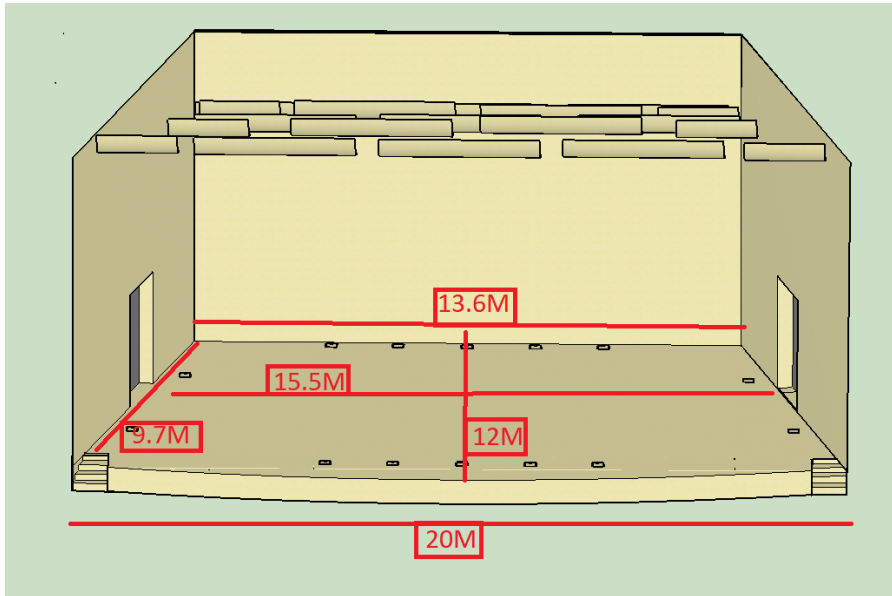

Indoor- A. Music Auditorium, College of Music, PC807, PC607

Note: Theatrical lighting is pre-installed in the auditorium. All rooms included microphone and piano and sound system

A. Music Auditorium, College of Music

The MACM (Music Auditorium) is a premier 353-seat concert hall located within Building B of the College of Music at Mahidol University in Salaya, Thailand. It serves as a primary venue for academic recitals, international competitions, and ensemble performances. (wooden floor)

Stage

B. PC 807 and PC 607: Pre College Concert Halls (2 Spaces) 15m x20m (linoleum floor over the concrete floor)

Three rooms in total

PC 807 and PC 607 Recital Room: Located on the 8th floor of the YAMP building, this intimate, acoustically insulated performance space is the core room used for individual Pre-College graduation recitals and specialized instrument showcases (such as harp, voice, and piano).

Ensemble Rehearsal Halls: Large, multi-purpose floor rooms built directly into the International Pre-College boarding school complex to allow student wind bands, string ensembles, and traditional orchestras to run full dress rehearsals.

Additional: Outdoor-Ground floor of Pre-College building (350 square meter, polished concrete floor) and Cafeteria Hall way (250 square meter, polished concrete floor)

Outdoor (under the roof): Pre-College Building (exterior entrance space)

This outdoor performance space has two options: 1) under the roof outside the cafeteria (A building), and 2) at the oval stage outside of the A building
