

# Blended Learning Station 4

## Center Directions:

Go to

<https://www.commonsemmedia.org/videos/introduction-to-the-samr-model>.

Choose how you would like to learn about the SAMR model by either reading the page, watching the video, or both. Fill in the chart in your station booklet with the levels of SAMR, give a brief description of what each level means, and give an example of each level. If you need more information to complete this center, you may use your research skills to research SAMR on the internet.

Level and brief description	Give an example of each level

**Blended Learning Essential Questions:**

Use these questions to guide your learning as you progress through your centers.

1. How can blended learning be used to enhance teaching and learning?
2. What is the relationship between blended learning and differentiated instruction?
3. How would incorporating a blended learning teaching style affect your current teaching practices?
