

# HOW TO WRITE PHYSICIAN ASSISTANT THE CORRECT WAY

Physician assistant does not need to be capitalized when used in a sentence

- Ex: I am applying to physician assistant school in the new year

The possessive of physician assistant is physician assistant's or PA's

- Ex: The physician assistant's office was welcoming
- Ex: The PA's office was welcoming

The plural of physician assistant is physician assistants or PAs

- Ex: I shadowed three physician assistants
- Ex: I shadowed three PAs

**NEVER use "physician's assistant"**

**PAs are NOT assistants to the physician**
