How To Play

- 1- Print out a copy of the game for each player. Decide if you want to use English or Ivrit (or a combination of both)
- 2- Set a time limit (10 minutes+/-) during which each player works independently to fill in each box with ONE word that starts with the letter in the far left column (the letters of a dreidel!). (Try for unique answers-you'll see why soon) For example: In the "Place in Eretz Israel" column you might write Netzarim, Gedera, Herzelia, Sanhedria and Palmachim
- 3- When time is up, begin scoring: Go box by box and compare your answers.
 Score 10 points -If you are the ONLY person with that answer. Jot the number 10 inside your box
 Score 5 points - If you and ONLY one other player has that answer. Jot the number 5 inside your box
 Score 2 points - If three or more people have that answer. Jot the number 2 inside your box
- 4- Add up your points and the player with the highest total is the WINNER!!
