

Hello, Friend!

Today, we'd love to introduce you to the Down Syndrome Association of Maryland which supports hundreds of families and individuals with Down syndrome in Maryland.

Our programs are critical for information, community, and connection in the Down syndrome community. YOU can help these high-quality events, webinars, and conferences continue while promoting your business to our families and their networks.

We need your help to build a more vibrant, inclusive community. Will you consider donating or sponsoring in support of individuals with Down syndrome?

Support is available at a number of levels, and will greatly help our nonprofit organization. As such, sponsorships and donations of money or items to the Down Syndrome Association of Maryland may be tax-deductible, too.

- Complete the form below as a receipt to your company for in-kind donations
- Find online donation options and program sponsorship levels on our Donate page, at: DSAmid.org/donate

Thank you for your consideration!
