

INDONESIAN JOURNAL OF ANESTHESIOLOGY AND REANIMATION

COVER LETTER

Dear Editor In Chief
Indonesian Journal of Anesthesiology and Reanimation (IJAR)
Faculty of Medicine, Universitas Airlangga

We would like to submit our manuscript to Indonesian Journal of Anesthesiology and Reanimation (IJAR), entitled:

“Early Cumulative Fluid Balance and ICU Mortality in Patients with Sepsis: A Retrospective Cohort Study”

Our manuscript type is a Original Research article . We confirm that this work is original and has not been published elsewhere, nor is it currently under consideration for publication elsewhere.

We have no conflict of interest in disclosure. The declaration of the authors has been stated below. Please address all correspondence concerning this manuscript to me at archveer.ss@gmail.com.

Thank you for your consideration of this manuscript.

Sincerely,

Corresponding author,
Dr. Satveer Singh Gurjar, MD
Associate Professor,
Department of Anaesthesiology,
Sawai Man Singh Medical college, Jaipur

AUTHOR DECLARATION

We hereby, authors of a paper submitted to Indonesian Journal of Anesthesiology and Reanimation entitled:

“ PREOPERATIVE ULTRASONOGRAPHIC ASSESSMENT OF INTERNAL JUGULAR VEIN CROSS-SECTIONAL AREA CHANGE WITH POSTURE AS A PREDICTOR OF POST SPINAL HYPOTENSION IN ORTHOPAEDIC SURGERIES”

Truthfully declaring that:

1. Paper with the above title does not contain fabricated and/or falsified data. All data in the paper is true.
2. Paper with the above title does not contain plagiarized content. The paper will be subjected to any system that allows the scrutiny of the originality of the paper to rule out the possibility of plagiarism. Any indication of plagiarism may lead to the rejection of the paper.
3. The paper has never been published and is neither in the process of being published in any form nor being submitted to other journal(s).
4. All written names on the authors' line are real authors of the paper.
5. All authors have agreed to the final form of this paper. Their agreement is stated in the signatures below.
6. The authors agreed to enclose a copy of an approval letter from an independent ethical committee regarding their research reported in the above paper.
7. All authors have agreed that the paper above will be subjected to editorial and peer review which will take a certain time before the paper is declared eligible to publish and the acceptance letter of the paper is issued.
8. All consequences caused by the unrighteousness of this disclaimer are all on authors' responsibility.
