

Where Does All the Money Go?

Middlebury is an expensive school, and continues to get more so. While tuition climbs, quality falls, year after year.

- **The Grille can barely stay open**
- **Dining budgets are being cut**
 - **Professors are leaving**
 - **Workers are underpaid**
 - **MiddAlert doesn't work**
- **Clubs are being starved of funding**

We deserve to know where the money is going.

My name is Aniketán Pelletier, of the Class of 2025, and I am running for SGA president. If elected, I will work to release a report outlining the school's spending in **detailed** but **accessible** terms.

I believe that transparency is the best approach to our budget. Students will be able to understand where the school's money is going, and the school will have to take public opinion into account when making decisions from here on out.

Furthermore, I will work to ensure [parking](#) is accessible to students who need it, based on **where they live**, while doing everything possible to improve the position of workers and students.

Please help get me on the ballot at [go/ak4prez/](https://go.ak4prez/), and please vote for me on election day, **Friday, April 21st**, to help make Midd a better place.
