

## Mini-Unit Make a Plan

Student Activity Packet

UNIT: ALTERNATIVES TO 4-YEAR COLLEGE

Name:

### Students will be able to:

- Reflect on what they've learned about the path(s) they might want to pursue after high school
- Set a goal for where they would like to be one year after graduating high school for a path they might pursue
- Create a timeline of steps they will need to take to reach their goal

### ACTIVITY: [PROJECT: What's Your Plan After High School?](#) ⌚ 40 min

You've spent some time learning about the different options available to you after high school. Now, it's time to put that knowledge into action. Follow the directions on the worksheet to complete this project, in which you will choose a path, set a goal for yourself, and then create a plan that outlines the steps you'll need to take to reach that goal.

Follow your teacher's directions to complete the Exit Ticket.
