

**The Add-One-
Word Story
Returns**

Luigi defenestrated Toad while eating horse flies.
Earlier, someone somewhere someway somehow died. Later alligator!

Szalinski punched Ron Popeil in the face. Interface problems officer?

Suddenly, a revolver ocelot shot of unobtainium whiskey, rarer or stronger of which neither was in context. Fragments of time shares don't make money. Activia neither has cousin steak sequencing abilities nor uncle Bob's Prussian abilities. However, abilities suck; gadgets aren't go-going dancers at odds with her.

Magic cards can explode violently if you throw them. Being taken hostage was not unpleasant... from the time we locked swords under the bridge of death!!!!!!!!!!

Also cocks. Plus roosters. Equals watermelon. Math charge batteries.

Meanwhile, back in Iwata's [censored], all of the hells reindeer broke loose and didn't even try but did succeed at everything. Of course, they did.

Very little elves' archery pools (underwater icicles.) aren't babies. Now that fifth posted furry everyone went bananas on parade yesterday.

Craaaaaazy Taxi! Sonic Adventure! GOD I LOVE
VIDJEOGAMEZ! So Fabulous!!

(<http://www.youtube.com/watch?v=7GfALYUSSdA>)

Trip a tiger that's right!

The Twist is: dancing. Ergo, forsooth fortnight bollocks
lorry chip booty biscuit gun. Carriages carried Keri carefully
down the hatch. James went home but butts butted abutting
butter butties, but butlers' butts.

Unbuttoning?

Had you no shame in death?

For glory!

For *love*!

FOR ***VICTORY***!

And money. Yeah.

NEVERTHELESS... my Little friend says goodbye
FOREVER. Why? Why I what now when how much wood
never split. NOW *THAT'S* TRAGEDY! BOW BEFORE OR
AFTER NOW FOREVER.

To praise is to spoil.

MOUSE!

KABUTO CAN talk!

Not really

well kinda.

Well BP rocks socks's butts forever. But only if my pants can't dance and sing. Mitch?

Batter late than ugly! Cookie isn't who you think she is: she's got legs as beefy as your steaks! Stakes that high scare my pants off!!!!!!

Snake? Did you forget? Psycho Ball! BOOGIE
FEFFFFFFVAH!

House music ain't terrible, I guess. Soooooooooooooo what?
I'm the sexiest inanimate pile driver around, honey! ♡

HOWEVER, I cannot fly helicopters on me timbers.

Oh say can't we be

by a faun's epic house

but so loudly she wailed

that mother's fast racoon suit riot and everybody died.

Except nobody wanted death so much that I exploded
with happiness of AMERICA. Unwillingly, but successfully!
Twice!

Lady, please seduce Batman with your hair.

"Why not?" said Zoidberg's mom while she drank your
entire buttload, dude.

then again, maybe not.

I wondered when pizza would knock. It wanted in so much that it died feeding the me that everyone's talking about these long nights. Oh pizza... Oh my darling pizza! Where fore art the foodstuffs for gone?

Yo mama so what? Sorry, I bouffed some what inadequately and man, it smarts! Thank you, Mr. & Mrs. Intheface.

Pow!

Biff!

Tannen!

Marty!

DOC!!

Go Moon!

Box of mice? Why not Zoidberg?

With great Scott toilet water, your toilet will cry me a bloodbath. Bet cashmoney he'd do your taxes hardcore. (In bed!) Not at gmail.com, cuz this sandwich won't be Internet-capable once it has your balls of Poké!

Dolphins and more dolphins decided to lounge Mario. With extra power to players of Scrabble comes extra points. It seems bored.

Why, good heavens! Your mom jeans suck! Get a new shirt. Call a doctor!

HOLY HOLES, BATMAN!

Look, said Toad, butts! Butts glisten gloriously everywhere!

Ah, said Dracula, delicious chicken blood. NOW FIGHT THE GIANT MIDGET! Come to me and DIE. Mah sentry and BOI.

Flying was something unheard of in the future. Why? asked everyone of her cynical butts. Tubes! Cigarettes. That's why flying submarines is moderately moderating my attempts at humour. But enough talk, let's caulk!

I say! Would you kindly join kill?

Great Scott, Marty! 88 bottles of EXPLOSIONS! Somebody stop this train or something!

"Don't tell the secret password to Skeletor, because ravenous trains said so." Said the illiterate illuminated and what now is ever victimized, I don't rationalize exactly, Ph.D. Spiffy promotion spats 'n hats always leap years ahead of less or more

fabulous than wolves with guns cocked off to undesirable angles...

But, dragons wept for hours of pandemonium caused by bumps. However, what a burger, man! Yum! It ate everything alive. Barrels rolled like madmen while steel samurais flipped coins at once!!!

But, butts buttered butterflies for science guys.

Bill!

Bill Nye had chickenpox. So, weep in ecstasy for ever.

Fly!

Gnat!

Moth!

Not mosquito.

Libido risin', Bob.

"SO FABULOUS!" cried Rarity.

Applejack disagreed.

So, apocalyptic toxins thrown through time killed Bob.

"WHY THANK HANK WHEN YOU CAN *DANCE?*" exclaimed the agitated washer/dryer from Thehomedepot Dimension as Mr. P died spectacularly.

Tanks exploded while people exploded too.

"Captain Feathersword, sir! Have mercy!"

But not for explosions. Explosions exploded explosively.

Boom!

Roasted!

RAMPAGE!

DOMINATING!

HEADSHOT!

JAMMIN'!

DOUBLEKILL!

C-C-C-COMBO WOMBO! Wombats...?!

"Willikers...." whispered Doc Brown to his fluxcapacitor, Freddington. Butte r margarine, potato head and slinky dog went away.

Alas! Shrugged.

Avast, he Marty! FLY!

Of Mice Cream And Dice.

Buffalo wings kill. Also frigates bomb.

"WHAT?!"

"I wasn't even dead".

Yet, explosives transmute cats into dogs. That's crazy,
Talk.

"Fire will incinerate Companion Icosahedrons without
hesitation, so buy insurance for it. Mario finally beat Luigi with
!vending to demonstrate karate. The wheels turn into bagels.
Woosh! Wheeee! Achoo! Onomatopoeia! The fate of my
mother depends. Are you mad, or stupid? I am about to fart!
Brace yourselves, Poot. "Smelly!" Yet not. Well, sorta. Anyhoo, I
invented pants equipped with electromagnetic devices.

RESTARTATION. We EXPLODED! D: Then the titin boobs killed nothing but net. How now will you? Keyboard cat somehow combusted, resulting deaths were unnecessary.

"Why?"

For the AND plus cyanide.

Often do I contemplate my barmitsvah, regretfully considering the gift is lead-ership POTATO!!!!!!1!!!!1

Ugh.

I fondly murdered and serenaded a witch in her pajamas.
Bananas kinda blemish your butt so avoid smelling butts,
please. It's unethical to genocide unless Stalin says so.

If you ever piledriver me I'll tech your groin! However,
doublelariats are permissible if properly maintained. Simply
put, Mayor, we must try suplexing or face hugging the
almighty pig. My goodness! He certainly smells like buttered
spam 'n jam. What better way to attack ghosts in love?

Its catastrophic effects for film have you clamoring for
more! There is a snake where a cardboard box hides that which
because for ever.

Many centuries ago, a wizard summoned millions upon
billions upon dozens of hungry hippos to destroy America!
Kittens, go forth and kill! But not yet!

The Game. You WIN!

"No!" cried Bowser. Let's go fishing for magical wands so
that all plumbers may evoke sadness.

Suddenly, A and was (not fluffed no).

There once lived A decrepit Old man-child Played Rugby every Tuesday morning. meanwhile, a ostracized little, ostracized tadpole. And then a troll accidentally went on Fungi Forums to troll trolls. He wasn't particularly good-looking for a clown, but he decided to model on top of Lady Lima anyways. Nevertheless, people should always honor the last request.

But now, the butt. But butts will roll d20s whilst they peed, appeasing the Whizzard. Consequently, the mysterious mysteries of the treasures, unveiled at E3, were delayed by snow in 2013.

Whether or not you like the blowtorch, you have to marry it. Then, you fool, make out with it. When fools collide, they argue online with fellow neckbeards on message-bottles. Tomorrow, they'll live, but after the Happening, Glorb's funeral, they'll realize that they were dead.

Revenge is a dish best served cold. That voice! Who is it?!

"I who spake thusly, that is me. Be not a ghost ship, ye scurvy vessel! Alas, my tumors expandeth below mine cummerbund, and frighten our beloved pizza. But seriously, folks, there's a story, Yoshi's Excellent Adventure, about time shares and stock images depicting amphibious acts of kindness.

"Wow," said Toad. "A Chain Gang!" Those convicts better find out what's up.

Obama, thanked for too few Mewtwos, speaks: The antichrist within this nation shall be reelected next November! Praise Allah! You've been coaxed up the wrong escalator.

For waffles! For liberty! Let's play Russian Roulette. But not with items. Casual only. Final Fight.

Shots of juice revolved around the ocelot kitten and ghost rider rapidly, but crashed, overrided irregardless. Someone please be my baby boy.

Cute piggies versus the ursine army! Engage Grizzly Danger! These nuclear reactors will not convince the staff of PG&E that we must invent some alternative-lifestyle batteries!

Fortunately, we Kickstarted my Kickstarter kicker, rendering all other kicks completely stopped. Therefor, horses punch people in their nether world all right? Pain and swelling around that there bunion requiring immediate medical fondling.

It's one o' them fancy flyin' machines, bro! Howsabout we mosey on o'er yonder an' wrangle ourselves? Bombs ahoy! Bombs are da dukar!

"WHAT?" U talkin' 'bout my hairpiece? Well, then I might just explode! I need to. Yet, I can't... Thusly, will everyone say, "Hey, listen, press buttons to receive your bacon!"

Some times, some places, some mimes, some maces: A blazing autobiography by The Mafia (foreword by Tony Little and the Pope of Popeism) is literary gold.

Whole potatos hate Mondays. Half-Life would be better with more cheeseburgers outside the Vortigaunts' homes. Everything Man ate all of her wieners as an example of justice.

Suddenly, a Pikachu will Thundershock all yo bass, wubs, and filthy pubs up to yo Dug trio, ineffectively. Electric attacks can't heal me with their white flashes of white.

Gohan Solo used a blaster to defeat Space Pumpkins and Squashes, genociding all peoples that built ruins of rocks. They should probably not remake the original gangsta gang. Instead, Starfy's innards tasted wine. Delicious apples are so similar to

pears that Starfy game 2 used faster innards tastier than anything since sliced Starfy.

Meanwhile nobody was Starfy. Starfy went away.

Verily, we verify vertical vvvvvv video via vile Vice's velocity in Venezuela. Vivacious ventricular vuvuzela vandalize vicars' vent that blast vases breaking.

You never rip arms dealers off. I bombed the Dodongos to Kokiri, but forests really obstruct fiery passion. Frankly, the barbarians, sorcerers, and are no.

Bears grill hot beets of American production, seasoned with my finest smoky liquid. Aw, look-- pterodactyls. They flew straight for the sun-god Ra, like no one ever wanted my little darling.

When the moon bats got food, and then you screamed "KABOOM!" and everything else went down hill to axolotls where bumps metastasize meta metagames with revenge blasts, we saved orally toxic money cream donuts.

Duncan, who reads?

"Aliens," said Giorgio, "they read angsty fan shipwreck lemon crossovers of while worth getting locks back.

Beans, beans, atrocious beans, the fruit of looms. They plot nasty plots to swindle some gullible tool out of the beautiful hand-sculpted hands. Handy hands crammed yer face into a hole.

Alas! And my pants departed years prior to their graduation ceremony.

"Adieu, bidet, I'll cherish the memory."

"I forgot how gorgeous splashing Magikarps died in the War of Times."

The End?

Likely.

UNLESS...

CONTINUE?

YES!

Well then.

Let's pursue adventures!

Mushrooms on drugs munched many manly mantises, a foul-flavored fowl-favored cowl layered howl robot, designed to fornicate with great responsibility.

That feel ing dude is very VERY moderate in how they moderate Republican voters votes. Precisely, is one supposed to create more advanced tech points than some other techinal fowl, but whatever.

Excuse me, miss Pac-istan: your arms are rather flawed because they don't believe in multiple choice exercises Suck-ups are run-ons.

This feeling..... It can't be controlled! Gently wishing away the mad men and women and children, oh no! Not again! Every good boy must kill several thousand million billion atoms to kill the orphans.

So we, Venom, wed Doctor Wario to end times magazine. People don't enjoy Dick Grayson unless HOLY WATER-TYPE BATMAN! WAS THAT CROISSANT RIDING A PUBLIC WORKS PROJECT?! YES! Beautiful. JUST SHUT MY LOCKBOX ALREADY!

Sooo... how'sabout we make like leaves & rustle?

Excellent idea, jerk.

Beef is the antithesis of robots. Robots, obviously, stack robots. Oh, yes! What succulent meat! Robots felt mecum was the excitement of a fleshly bloody stump of bloody proportions.

British rock "music" "is" "sad." This madness shouldst cease, desist, and claim temporary educational prowess.

Gah! My leg! It stole your heart of artichoke. It's a severe method, one that sucks. In response to Shark Of Snark, cry freedom reigns supreme.

The New Groove's Emperor: Revenge Tastes Like Macaroni and Your Tears For Great Tragic Effect, was directed incompetently by Lord Shaman Mr. Dawn, so bear that cross with vigor, lest yonder bears wheelie over flaming lips. Eh, it pays well enough.

So, how's your third project going? Really? Disastrously? I don't care for lies, now do the Macarena!

Hey now,

you're an Octagon!

Get some pants, fool!

Go go, gadget iPhone!

Wait! There's landmines in her hamster! Duck and jump, duck lover!

My prunes taste of his unique fertilizer, a succulent mixture made from horse hooves and fairy dung. Oh fiddlesticks! This formula one replica reminds me of myself. Huh?! Inconceivable!! That's the thing from that one thing, with what's down under town, yo.

Good Lord, what isn't made in heated arguments over multiple multiples! Well golly gosh fart nuggets and a half, howzabout you and yer pet baby take some painkillers rectally. Then, prepare yourselves for Fists McGee, wildest dreams.
