West High Class Registration
2020-2021

Welcome to our new online course request system. Please follow the guidelines discussed by your counselor, and the directions listed below!

- Login to Torrance.PowerSchool.com using your school ID number and eTUSD password.
- On the left hand side look for and click on Class Registration.
- Starting at the top, review the information provided and use the links for additional expectations, forms, and course info. (highlighted in blue).
- Next, review the sections, each represents an activity, time period, or subject/course group to choose from.

- To the far right of the section/course group title, click on the pencil icon and a list of available courses will appear.
  - Review the available courses and click on the empty white box to the left of the course name. Click here to choose this course and turn the box into a checked box.
  - Finally, scroll the bottom of the window and click Okay.

- Tips!
  - Some Sections allow students to make more than one choice! Check out Visual/Perf Arts & Career/Tech Ed!
  - Click on the words 'Course Description' to sort the list of classes alphabetically!
  - Some sections have more than one page, scroll to the bottom and click next to see more options!
  - To reset all choices, click on Class Registration

- Once you have chosen your classes you may save your choices by scrolling to the bottom and clicking the submit button.
