

Analysis of Instructional & Personal Support Needs

[illegible]

Accommodation: A change to HOW content is taught and/or learning is assessed in order to provide a student with access to information & to create an equal opportunity to demonstrate knowledge & skills.

Modification: A change in WHAT the student is expected to learn and/or demonstrate.

Assistive Technology: Products, equipment, or systems that help enhance learning & activities of daily living.

Behavior Interventions: Planned interventions used across the school day to prevent & de-escalate behaviors.

Advance Support: Planned support provided before the student receives instruction.

Peer Support: Refers to peers who have been formally trained as a part of a peer assistance program.

Support Facilitator: An individual who provides a variety of support which meets the students needs through identified planning.

Co-Teach: A formal, year (or semester long) commitment between a general education teacher & a special education teacher to jointly plan, deliver, & assess instruction for all students in the general education class.

Specialized Supports: Specially designed instruction & supports provided through special education in a special education setting.
