My (chris.macrae@yahoo.co.uk washington dc tel 1 301 881 1655) favorite change the world linkins include

N.C. First lady at Grameen Phone to experiment with **women empowerment** by mobile -knows pretty well who did what in the field since 1996

S Gandhi oldest daughter of the founder of the world's favorite school - where 50000 children continue the world citizen curriculum first designed by Mahatma Gandhi and Maria Montessori. The original cause being Gandhi's 1906 experience in south africa's from which all cross-cultural (peaceful) revolution

movements can be tracked and celebrated by youth

T & A Blecher - at the epicentre of missing entrepreneurial curriculum in schools from age 9 up - partnered out of s.africa by eg Branson and Google

Gordon Dryden thelearningweb.net - back in 1984 the first reader of The Economist inspired to start changing a national education system for the benefit of net generation

Paul Rose - helping youth broadcast clean energy's and oceans futures

My email chris.macrae@yahoo.co.uk (if you can help any of above please be specific how and i will pass on any messages i understand). Incidentally if you feel you know someone even more youth collaborative in any of areas described above I would love to know of your nomination! My linkedin

Course Glossary

- [Course Glossary](#)

How to put your stuff in this Wiki

- [Learn to edit this Wiki in 20 minutes](#)

Additional resources supplied by students

Social Goods and Commons

- [On the Commons](#): A commons movement strategy center.

Poverty and Development

- [How The Economic Machine Works](#) The best explanation of the economy that most people didn't understand.
- [Nobel Peace Prize Acceptance speech of Muhammad Yunus](#) of Grameen.
- [When Helping Hurts: How to Alleviate Poverty Without Hurting the Poor . . . and Yourself](#), by Steve Corbett and Brian Ficker
- [A Bed for the Night: Humanitarianism in Crisis](#) by David Rieff
- <http://halfintention.org> The Campaign to Cut Poverty in Half in Ten Years
- [#2030now](#) -the social movement of end poverty of Jim Kim : World Bank and videos week 2
- Who is Really Dependent upon Welfare, They're Wealthier Than You Think (<http://www.upworthy.com/who-is-really-dependent-on-welfare-theyre-wealthier-than-you-think>)

Climate change and sustainability

- [Greening Neighborhoods](#) promotes, educates, and supports neighborhood efforts to conserve our natural resources, save money, and reduce dependency on nonrenewable resources
- [Ray Anderson, The business logic of sustainability](#) TED Talk discussing the business logic of sustainability based on a case study of the company led by Mr Anderson, with a poetic reference to stewardship for the next generations.
- [important events in the history of climate change science](#)
- [Tales of ice-bound wonderlands](#) An amazing and emotional Paul Nicklen TED talk about what melting of ice will lead us to

Ocean

- [Oceans are playing a very important role in absorbing carbon](#)

- [The ocean environment is unquestionably linked to human life.](#)

Energy

[Energy University](#) offered by the main global corporate partner of Energy Social Business of Muhammad Yunus

Solar Energy

- [An October 25, 2012 article: Solar Energy Is Ready. The U.S. Isn't](#)
- [solar panel installation: an experience](#)

Denier

- [Dark Money](#) Who funds climate change deniers?
- [How to talk to an ostrich](#) Know any folks who stick their heads in the sand about climate change or clean energy? How about your skeptical brother-in-law, or know-it-all aunt? Here's how you could answer if they try to speak ostrich to you!

Disease and Global Health Care

- Before World Bank Jim Kim co-director with Paul Farmer of [Partners in Health](#)
- book co-edited by Jim Kim on [Reimagining Global Health](#)

Women, Education and Social Change

- [Room to Read](#) For people interested in education and literacy in developing and impoverished countries, check out Room to Read. Room to Read is doing great work for underprivileged children around the world and has already, in just 14 years, helped 8 million children become literate, given scholarships to over 18,000 girls, built over 2,000 libraries, and created over 450 schools. What they have accomplished is amazing, but with our help, they can do even more. Check them out at www.roomtoread.org. These guys know how to change the world!
- [Malala Yousafzai address to UN Youth Assembly](#) Education activist Malala Yousafzai marks her 16th birthday, on Friday, 12 July 2013 at the United Nations by giving her first high-level public appearance and statement on the importance of education. Additional updates in a blog post [here](#) and in a video [here](#).

Toolkits and other resources

- [Changing Habbits](#) a tool for calculating your carbon footprint, based on several aspects of your daily life (eating, electricity use, commuting, traveling, etcetera)

- [Human-Centered Design Toolkit](#), for those who want to innovate for social good
- [OpenIDEO, a platform where people design solutions for social issues](#) - challenged based innovation for social good, a global community designs solution to change the world. Solutions are open source, so for everybody to consider implementing. Issues covered include environment, poverty, sanitation, maternal health and much more.
- [Who are your favorite CTW linkins?](#)
- [?Top 10 Youth Jobs Social Movement networks of Muhammad Yunus](#)

Course Forums, Student Ideas & Projects

I set up 3 separate links below to organize information in this course that can't be effectively maintained by the Course Forums. What is missing a well-organized class notes from the video lectures. Is there any notes taker willing to put out his/her work?

1. [Categories of the Discussion Forum threads](#)
2. [Repository of Ideas and Summaries of issues of concern](#)
3. [Student initiated Projects of Social Goods](#)

To communicate any concern of this Wiki use this thread:

- [Please use this "new" wiki page to post your issues of concern](#)

Events in cooperation with this course

- [Sookmyung Women's University\(Seoul, Korea\) uses this course as blended course.](#)

After This Course

- [A website for collaboration after this course](#)
- On Tuesday, March 11, Idealist will launch a new network—online and on the ground—that will help people everywhere connect and take action on any issue that concerns them, locally or globally, online and in person. For more info, and to sign up: <http://www.idealists.org/March11>
- [blog of youth jobs summits as a social movement](#) please tell us if you can co-blog on behalf of any future youth summits
