

Gallery and Facility Technical & Maintenance Assistant

Role description

The Community Employee will gain practical experience in how Pallas Projects/Studios, which is an Artist-Run Organisation in The Liberties, is run. This will involve first hand interactions with artists, and the curator/directors in preparing exhibitions as part of the newly funded Artist Initiated Programme.

The role will involve the Community Employee in all aspects of providing technical assistance to the exhibitions programme, meeting artists, helping artists realise their installations, managing the facility storerooms and providing technical assistance to the building and other general maintenance duties.

Programme Support Duties 19.5 hours

Installation & maintenance: Tuesday – Wednesday, 19.5 hours

Gallery open 12- 6.

Meeting artists and discussing their installation needs.

Installation support when required in advance of exhibition openings.

Attendance at special events.

Storerooms

Keeping the storerooms in good condition. Designing a new system of storage.

General Support

Facility maintenance: Assist in general upkeep of the gallery and kitchen. This requires light regular cleaning in the kitchen and mopping the gallery prior to the exhibition openings – this work is shared by Pallas staff.

Learner Outcomes

The intern will receive formal/informal training in the following: on safe handling of power tools and uses of ladders, other training is possible as required according to the specific interests of candidate. On completion the intern will have attained and honed their skills in exhibition

installation making. They will also receive direct experience in the day to day operational activities of Pallas Projects.

Skills Requirements

The Community Employee should be interested in arts and culture-in particular contemporary art. They should be capable of using hand electric tool such as jig-saws, drills and circular saws. They must be motivated and enthusiastic and be able to take the initiative when necessary. The candidate will need to be highly motivated and tenacious. The successful Community Employee will be somebody who is aware of Pallas Projects activities and who has an understanding of what an artist run space is. Please research this requirement before applying.

Mentoring Structure

The Community Employee will have join a team that includes both directors and the curator who are all well versed in the technical aspects of the job and will be able to give advice and guidance throughout the employment.

1st Deadline: 26th November 2024

We will accept applications on a rolling basis with first interviews following this date.

Pallas Projects/Studios:

Pallas Projects/Studios (PP/S) is a not-for-profit, artist-led organisation directed by Mark Cullen and Gavin Murphy, active for 28 years in Dublin's city centre. PP/S has been at the forefront of a particular brand of DIY methodology, consistently contributing to what is now a vibrant, confident art scene in Dublin. The organisation has been directly implicated in inner-city regeneration in its previous locations, subscribing to the ethos that art plays a key element in the promotion of civic and cultural vibrancy in the neighbourhood where it is made.
