Meeting ID: 852 2541 6305

Passcode: 959115

Notes (Notas)

- I. Welcomed all
- II. Discussed the importance of attending school and the need to call in the students when they are absent and why they are absent and the importance of coming everyday.
- III. Synergy and the importance of login to the synergy to check grades and communicate with teachers
- IV. [SPSA plan](#) is required by the state to discuss the goals of the school and how teachers support students in math and ELA. These goals are meant to help the students across the different subjects and communicate the importance of using google classroom and how the teachers are going to be using it with all students and classes. Teachers will be going through training next week to teach them how to use some of the tech used in class.
 - A. The goals from the SPSA goal 1, 2, 3
 - B. Improve communication with parents about the different events and things we are doing at school. Use the binder reminder to help with information and opportunities at school
 - C. Social emotional Wellness team will help support students through different groups or one or one counseling
- V. PBIS is our program to create a positive environment for students and they can use 5 star points to win prizes, no tardy party is once a week to celebrate students who are on time to class, once a week wheel spin.
- VI. Goal 4 is for the ELAC families to let us know what needs they have or what things they think might help their children and it will provide training, supplies and material, online resources Lexia the reading program and the math program Alex teachers are providing extra time in the day, data to track measures.
- VII. Goal 5 outreach get support for families to call parents about meetings or important events. It is important for ELAC to participate in school site council meetings. So we can get input from parents.
- VIII. Youth Truth Survey is available through Math class and there is a paper verse for the parents to fill out
- IX. Review the dates for meetings
- X. DELAC the district meeting, there is a training and this is for district communications. It is usually the 3rd Tuesday of the month. The district website has the information it is in-person. We could use two people, one representative and an alternate.
- XI. Information about migrant student processes in leaving school and returning. Students can leave some of the school materials with Ms. MR and return items to the Library. More information regarding the check out process for Migrant students will be reviewed @ the November meeting.
