## **ParentSquare School Communication Opt-Out Information**

The Bethel School District, your school, and teachers use ParentSquare to communicate with parents and guardians (PK-12), and students (grades 6-12). This includes emergency messages as well as information closely related to the school's educational mission. You will receive notifications via email, text, voice call, and posts from the ParentSquare mobile app and ParentSquare portal, depending on the contact information you have in PowerSchool, our district Student Information System. Parents are automatically registered to receive notifications when they enroll their student and each year the parent/guardian/student information is updated in the Parent Portal, including modes of communication. *Please note that standard text messaging rates may apply for all text messages.*

To opt-out of receiving notifications, you can:

- Contact your school office with your email and/or cell phone number

You can also opt-out of:

- Emails: Click the Unsubscribe link in any email you receive
- Text Messages: Click the Opt-Out link in the first text message you receive from ParentSquare. You can also reply STOP to any subsequent text you receive.
- Phone Calls: Contact your school

*\*Note that even if you opt-out of receiving communication, you will still receive notifications for emergencies and other school information deemed important, such as attendance.*

To opt back in:

- Contact your school with your email and cell phone number
- Text Messages: If you sent STOP, you can reply START to any text you had received or send START to: 66458
