

World Rugby Level 3 Application Game Analysis Task

Purpose

To assess the applicant's ability to:

Analyze team performance

Interpret trends and underlying causes (not just statistics)

Connect analysis to practical, game-relevant coaching interventions

Task Overview

Applicants must:

Analyze one half of the Six Nations [Wales vs Scotland U20 match](#) – Analyze one team only on attack and defense.

Submit:

A Performance Summary Report

Coaching Recommendations

Applicants should identify:

Key performance strengths

Priority performance gaps

Evidence supporting each (data or observed trend)

Descriptive commentary alone is insufficient. Analysis must show interpretation.

Coaching Recommendations & Intervention Plan

Explain the root cause (technical, tactical, physical, or decision-making)
