STOCK MARKET CLUB 2026-2027

Anyone interested in the stock market is welcome to join this club. Each meeting will include a short lesson on the stock market and time to collaborate with your peers to buy and sell stocks. We'll be using the Stocks Market Game™ program to invest a virtual $100,000 in stocks, mutual funds, and bonds. You must be willing to work in a small group on your investments.

Asking for those students who are serious about learning about buying and selling stocks. This is not a club to just play "video games". To join, please see registration details below.

Schedule	Tuesdays - 8:20am - 9:05am (NOTE: We choose to meet before school so we can trade stocks while the market is open.) FIRST INFORMATIONAL MEETING: TUE SEP 29
