Regen Ambassador Program REGEN token grant proposal

Proiect Description:
Moth Creative DAO is proposing a grant of 100,000 REGEN tokens to pilot a 3 month Regen Ambassador Program.

Benefit to the Regen Network community:
A Regen Ambassador Program will allow for a decentralized group of Regen Network community members to engage in growth and activation activities, as well as create new media about the project, while being rewarded with REGEN for their efforts.

Project Team:
- Sari Lott, Moth Creative DAO (ambassador program administration)
- Sarah Bax, Moth Creative DAO (supervising, scoping, funding)
- JeanCarlo, Moth Creative DAO (proposal execution, funds transfer)
- Dave Forston, RND (program design feedback, amplification)

Project Scope & Timeline:
- February: setup Ambassador program in Zealy, announce Ambassador Program
- February-July: monitor 6 month Ambassador Program pilot & disburse monthly REGEN token rewards to participants

Program Design:
