

May 2025,

Dear Leesville Road Middle School 7th Grade Students and Parents:

This letter is to inform you about the National Junior Honor Society selection process. We will induct our new class of members in the Fall of 2025. Seventh grade students who have maintained a minimum GPA of 3.5 in sixth grade and on their seventh grade first semester report cards become candidates for selection into the Leesville Road Middle School Chapter of the National Junior Honor Society. **A completed application is not an automatic admittance.**

Selection and membership for the National Junior Honor Society at Leesville Road Middle School are based upon five principles: **character, citizenship, service, leadership, and scholarship**. Membership, however, is more than an honor. It is an ongoing responsibility and an obligation to continue to demonstrate those outstanding qualities that result in a student's selection. Membership also carries a responsibility to the chapter. If our NJHS chapter is to be effective and meaningful, each member must become involved.

Candidates interested in pursuing membership will find the link to the NJHS web page by looking under the student tab of the Leesville Road Middle School web page. You will find the candidate application form, including the teacher recommendation form and essay. All material should be completed by May 22nd 2025. For those interested in applying, we encourage you to begin working on your applications early.
