

Hello [Name],

I hope you are well.

I am reaching out in my capacity as a member of the **Board of Directors of Centers for New Horizons** to extend a special invitation.

As we prepare for our **55th Anniversary Celebration** this October at the Obama Presidential Center, the Board is seeking **a distinguished leader(s)** to serve as **Honorary Chair/Co-Chair** for this milestone occasion. Given your leadership, stature, and commitment to the people and future of Chicago, I would be honored to invite you to serve in this role.

This celebration represents far more than an anniversary. It is a defining moment to honor 55 years of service and impact on the South Side, to recognize the vision that has sustained the organization's work, and to inspire continued investment in what comes next.

As Honorary Chair, your leadership would help elevate the significance of the occasion, strengthen its visibility among civic, corporate, and philanthropic audiences, and underscore the importance of continued support for Centers for New Horizons and the communities it serves.

The role is intended to be meaningful while respectful of your time and would include lending your name and leadership to the celebration, participating in select event-related moments as your schedule permits, and supporting the overall success of this milestone effort through your endorsement and engagement.

We are also seeking a **leadership-level financial commitment of \$25,000+**, either personally or through organizational support, reflective of the importance of this anniversary and the impact we aim to achieve through it.

I have attached a brief overview with additional detail regarding the role, expectations, and recognition associated with serving as Honorary Chair.

On behalf of the Board, I sincerely hope you will consider this invitation. Your participation would bring tremendous distinction to the celebration and would send a powerful message about the importance of investing in the future of the South Side.

I would welcome the opportunity to speak with you or your office at your convenience.
