

What is Painful About My Current State?

Not having resources available to play the game at a higher level
Barely earning enough to afford life right now
Don't have the supplements I want
Can't Afford the coaching I want
Don't have a wide variety of food options
Can't invest time into anything but working
Can't spend time tracking girls or learning game
Women turn up their noses

What is Desirable About my Dream State?

Have amazing car that I love driving- big status symbol
Buy the pc I want
Play valorant and take it seriously- build brands and businesses around doing what I love
Live in an environment completely under my control
Have the technology I want in my life
Have money to invest and acquire digital assets with
Date Many beautiful women
Be ripped
Feel sexy
Get height extension?
Date MANY beautiful women of all races- latina, asian, black, red, indian
Have the kind of food I want every day
Travel
