ChatGPT Prompts: Job-Specific Interview Prep

Premium ChatGPT-4 is recommended for this

First Message

Hi ChatGPT, I am an executive recruiter and would like you to create an interview prep package for a job that I am working on. Here is the job description:
"[insert job description]"

Second Message

Perfect, please tailor the interview prep package for a candidate with this resume and experience:
"[insert blinded resume]"

Third Message

Great start, please include the STAR method for answering questions, provide an example of how to answer it. Suggest company research strategies and give actionable suggestions on all interview prep points

Fourth Message

This is great! Please turn this into a comprehensive interview package that I can copy and paste and send to the candidate
