H. Adjournment: Motion [Passes/Fails]

- **Discussion Items**

- **Leadership team** met, putting things in place for students who are ill (not Covid related).

Quarantine System is in place, so students who are quarantined are getting virtual instruction.

- **MAPP Testing** -- At the end of testing, with a few quarantined students who still need to complete testing. Data has informed us of where we need to grow. APS' *Academic Recovery Plan* will help those students get what they need as shown by data.
- **Enrollment** numbers are low, we are missing approximately 25 students (related to budget, -\$4500 per child). Most students who are missing, the reason is due to covid fears/concerns. Many students aren't in school at all, as the virtual academy is full.

Information Items

- **Principal's Report**
-Same as discussion items.
