

THE FRUIT OF THE SPIRIT Words and music: David Kai ©2025

Here's how we'll remember the fruit of the Spirit
A little song to help all of our memories to twig
And here's how we'll remember the fruit of the Spirit
The fruit of the Spirit's like a **PacKaGe** of **FiGS**

Chorus:

For it's love, joy and peace
Patience, **K**indness, **G**oodness
Faithfulness and **G**entleness and **S**elf-control
For it's love, joy and peace
Patience, **K**indness, **G**oodness
Faithfulness and **G**entleness and **S**elf-control

There is no law against the fruit of the Spirit
The fruit of the Spirit makes our hearts so big
And here's how we'll remember the fruit of the Spirit
The fruit of the Spirit's like a **PACKAGE** of **FIGS**

Chorus:

For it's love, joy and peace
Patience, **K**indness, **G**oodness
Faithfulness and **G**entleness and **S**elf-control
For it's love, joy and peace
Patience, **K**indness, **G**oodness
Faithfulness and **G**entleness and **S**elf-control
