

Intro video should be only 3 to 5 minutes long

PREPARE YOUR PROJECT OUTLINE IN SLIDES AND SHOW THAT ON SCREEN.

Hi I am <Name> from <City name><Country Name>. I have <Number years experience> years experience building applications in <programming language>. In the past I built <product1>, <product2> and <product3> in <programming language>

In this project, we are gonna build <Project name> using <programming language>. This is going to be a very fun project. if you want to learn <programming language> the best way is to build real applications.

What we are gonna do in this project?

In this project, we will follow the following process.

<Have your project outline prepared in slides, show it on screen and discuss all sessions>

In the first session, we will cover

Session one

1. ABC
2. ABC
3. ABC

In the second session, we will cover

4. ABC
5. ABC
6. ABC

In the third session, we will cover

7. ABC
7. ABC
8. ABC
