## Text 1: Fiction - Mario and Pikachu's Power-Up Quest

Mario jumped high, dodging Goombas as he raced through the Mushroom Kingdom. But something was different today—blocks that usually held coins were empty, and a strange energy filled the air. Suddenly, a bright flash appeared, and standing before him was Pikachu!

“Pika! Pika!” Pikachu chirped, pointing toward Bowser’s castle.

Luigi ran up, panting. “Mario! Bowser’s got something new! He stole all the Power Stars, and now the game world is changing!”

Mario and Pikachu exchanged a determined look. Pikachu’s electricity sparked, and Mario grabbed a Super Mushroom. Together, they dashed forward, leaping over lava pits, dodging Bullet Bills, and zapping Koopa Troopas.

At last, they reached the castle gates. Bowser roared, holding a Poké Ball in his claws. “You’ll never get past my newest champion!” he sneered.

The Poké Ball opened, and out jumped Charizard, its fiery wings spreading wide. Pikachu stepped forward, cheeks crackling. Mario clenched his fists. This was the biggest boss battle yet!

Would Mario and Pikachu defeat Bowser and save the Mushroom Kingdom? Only the bravest players could find out!
