

Interior and Exterior Angles of Polygons

Learning Target 5.5 I can use the properties of polygons to define and classify them.

Online Practice Problems

Complete [these practice problems](#). Record your answers to each question in the table below:

1	2	3	4	5
6	7	8	9	10
11	12	13	14	15

Score % _____

Application Problems

Solve the problems using the theorems about polygons.

1) Find the value of x :

a.

b.
