

To maintain their certification, master gardeners need to complete and report 6 Education hours and 12 Volunteer hours each year. There are many ways to fulfill your education and volunteer hours. The list below provides some ideas, but feel free to be creative. Just remember for volunteering it needs to be a non-profit endeavor or an approved for profit site.

Ideas for hours:

- Attend monthly meetings on the 2nd Thursday of each month at 6 pm
- Work on an association committee
 - Contact: Cheryl Blume, cdblume@icloud.com
- Work at an informational booth at an event
 - Contact: Elizabeth Johnson, epjohnson@arizona.edu
