- **Create own Project WBS with Network.**
  - Project Definition & Top-level WBS description as "Project F-920XX with Network".
  - Use CJ20N.
  - Use Project Profile "ZPSLP01 Logistics Project".
  - Use Code "F-920XX" as the Project Definite (XX = Group ID in Class), eg: F-92007.
  - Create Top-level WBS using same Code of "F-920XX" with an appropriate Description.
  - Create the following WBS:
    - F-920XX.1 with description "Stage 1 - Preparation".
    - F-920XX.2 with description "Stage 2 - Planning".
    - F-920XX.3 with description "Stage 3 - Execution".
  - Create a Network Header at the Top-level WBS F-920XX" with description of your choice.
  - Create Activities for WBS F-920XX.1:
    - Activity 0010 "Internal" with Description "Scoping Work".
      - Work Center "P-ENG"
      - 12 Hours of Work
      - 4 Days Duration
    - Activity 0020 "Internal with Description "Preparation".
      - Work Center "P-ENG"
      - 24 Hours of Work
    - 6 Days Duration
  - Create Activities for WBS F-920XX.2:
    - Activity 0030 "Internal" with Description "Execution Starts here".
      - Work Center "P-ENG".
      - 8 Hours of Work.
      - 1 Day Duration.
    - Activity 0040 "Cost" with Description "Other Buffer Costs Planning".
      - Enter a Planned Cost of 1000 EUR.
    - Activity 0050 "External"with Description "External Work".
      - Use Info Record "5500000020".
      - Activity Quantity is 4 Hours.
  - Create Activities for WBS F-920XX.3:
    - Activity 0060 "Service" with Description "External Inspection Service".
      - E-1300 as the Activity Number (Service Master).
      - 3 Hours of Work.
    - Activity 0070 "Internal" with Description "Closing Ceremony".
      - Work Center "P-ENG".
      - 2 Hours of Work.
      - 1 Day Duration.
  - Use "Network Graphics" to define Relationship between Activities:

- - "FS" relationship between Activity 0010 and 0020.
    - "FS" relationship between Activity 0020 and 0030.
    - "FS" relationship between Activity 0020 and 0040.
    - "FS" relationship between Activity 0020 and 0050.
    - "FS" relationship between Activity 0030 and 0060.
    - "FS" relationship between Activity 0040 and 0060.
    - "FS" relationship between Activity 0050 and 0060.
    - "FS" relationship between Activity 0060 and 0070.
  - Add a PS Text with Text of your choice to WBS "F-9210XX" (Text Type "02 General Comment" with Language "EN" and Description & Long Text as "Project F-920XX").
  - Ensure all WBS are set with "Account Assignment" and "Planning" Element.
  - Ensure the WBS F-920XX.3 is set with "Billing" Element.
