

Privacy Policy for Tripleyetech Safeguard

Last updated: Saturday, 30 December 2023

Introduction Our commitment is to safeguard your privacy while enhancing web safety. This policy outlines the types of information we collect, how it's used, and your rights regarding your data.

Information Collection and Usage

- **Permissions:** Our extension requires certain permissions to function effectively, including access to your active tab, tabs, and web requests. These permissions are vital for scanning web pages to identify potential threats such as phishing and malware.
- **Data Processing:** We analyze websites in real-time to ensure your safety. This process does not involve collecting personal data from your browsing history.
- **Data Storage and Sharing:** No personal data is stored or shared with third parties. Our operations prioritize user privacy and data security.

User Privacy and Data Protection

- **Anonymity in Data Handling:** Any data processed by our extension is anonymized. We do not track or store personal information such as names, email addresses, or browsing history.
- **Security Measures:** Robust security measures are in place to protect any data from unauthorized access and data breaches.

User Consent and Control

- **Consent:** By using Tripleyetech Safeguard, you consent to the data practices described in this policy.
- **Data Control:** Users have the right to review and control any personal information the extension might access.

Updates to Our Privacy Policy

- **Revisions:** We may update this policy to reflect changes to our data practices. We encourage users to review this policy periodically.

Contact Information For any questions or concerns about our privacy practices, please contact us at info@tripleyetech.com or by visiting www.tripleyetech.com.
