

Fall 2016 EME5050 Student Blogs

Instructions: See the table below for a listing of the urls for each classmate's public blog.
(NOTE: While it is understandable to "click" with a smaller sub-set of classmates, do please try to read outside your comfort zone during each Learning Journal week. Also, please be ever mindful of "having something to say" interesting enough to appeal to the "world" of non-course readers who might show up!)
